Search JSTOR Now

JSTOR Archival Journal Collections

Over 300 journals and book chapters in law, psychology, public policy & administration, education, linguistics, sociology, social work, Asian studies; in addition to EBSCO, JSTOR is another great database available to you to look for scholarly information.

JSTOR stands for "Journal Storage". As the name implies, it focuses on archiving journal content. Although it may not contain the latest issue, the coverage of a journal is impressive. Many of the journals provide access to content published over 50 and even 100 years ago!

Still not sure about what you can find in JSTOR? Check out some of the ECE related journals in the next page.

Child Development

Coverage range (years): 1930–2013

As the flagship journal of the Society for Research in Child Development (SRCD), *Child Development* has published articles, essays, reviews, and tutorials on various topics in the field of child development since 1930. Spanning many disciplines, the journal provides the latest research, not only for researchers and theoreticians, but also for child psychiatrists, clinical psychologists, psychiatric social workers, **specialists in early childhood education, educational psychologists, special education teachers**, and other researchers.

Education and Treatment of Children

Coverage range (years): 1977-2013

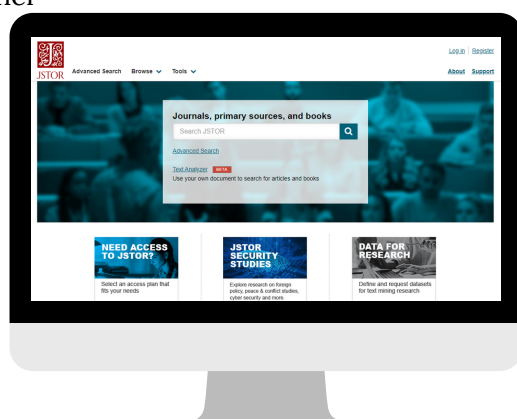

Education and Treatment of Children is an important journal for researchers, educators, and clinical practitioners, as well as graduate students and others with a professional interest in the development of children and youth and a mission to improve teaching, training, and treatment effectiveness. The contents include experimental studies, literature reviews, data-based case studies, and book reviews. Education and Treatment of Children (ETC) is devoted to the dissemination of information concerning the development of services for children and youth.
