MASTERING THE ART OF STORYTELLING

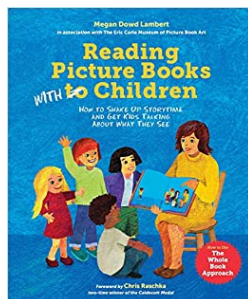

Whole Book Approach

The Whole Book Approach focuses on the picture book as a visual art form and invites children to make meaning of text, art, and design—the whole book. This critical engagement with the picture book as an art form helps educators and caregivers create interactive storytimes that facilitate discussions rather than traditional read-aloud times. In other words, the Whole Book Approach is a means of reading **with** children instead of reading **to** them.

Finding children's books on specific topics

What are the best books to read to children?

Find Me A Book is a bilingual search engine for English and Chinese children's books! It encompasses 100 topics, covering popular interests, life experiences, desired character traits and award winners. The selected books can be used as tools to open meaningful conversations with children on important topics, such as diversity and environmentalism as well as on critical developmental areas such as empathy, confidence, resilience, and special needs.

NEW RESOURCES AND SERVICE UPGRADE

New addition of Chinese electronic resource: 中國期刊全文數據庫 (學前教育專題) / China Academic Journals Full-text Database (ECE)

We are pleased to inform you that there is a new addition on the Chinese electronic database for access: [中國期刊全文數據庫 \(學前教育專題\) / China Academic Journals Full-text Database \(ECE\)](#).

The subscription covers over 40 full-text Chinese ECE journals as listed in the attachment and it supports searching in simplified Chinese text only.

EBSCO Single Sign-On

As part of our ongoing effort to enhance the library service, the Library has subscribed to EBSCOhost single sign-on, enabling you to sign on only once to search the [EBSCOhost database](#), [Koha library system](#) and [Outlook](#) simultaneously.

EDB Educational Resources Online Platform (formerly known as Central Resources Centre (CRC))

Please note that the EDB Central Resources Centre (CRC) was closed in September 2020.

A new [Educational Resources Online Platform](#) (EROP) has been launched by the EDB to provide electronic resources to support teaching, learning and teachers' professional development in Hong Kong. The new platform provides electronic resources, curriculum materials, e-books & e-journals, educational databases and audiovisual clips.

To access the e-resources, please [register online](#).

E-books on ECE titles & English Literature

In order to improve our electronic access, we have purchased [popular ECE and English Literature e-titles](#). They can be accessed with unlimited site access simultaneously on EBSCOhost.

LIBRARY FUN QUIZ 2021 WINNERS

Thank you for participating in the YCCECE Library Quiz 2021. We hope you have a better understanding of the library services, College environment and our neighbourhood in Tin Wan and Aberdeen now. With the generous support from the College, all participants have won a \$50 coupon. Congratulations!

Most wrongly answered question:

Q: In the Wofoo Student Learning Commons, how many desktop computers are provided in each Group Discussion Room?

A: Zero

You can borrow a laptop at the library counter or use the PC outside the discussion room.
